

The Right Connection™

IMPORTANT NOTICE

Dear Distributor:

As a company that may sell or distribute Dixon® products to California consumers or to other persons or entities that may sell such items to California consumers, Dixon® is obligated to notify you of the following:

Dixon® is in compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 and its supporting regulations ("Proposition 65"). Accordingly, Dixon® will defend and indemnify you if there is a claim made under Proposition 65 for listed chemicals being contained in its products, so long as you have provided the warning per the instructions below. Dixon® has provided warnings that comply with the current Proposition 65 regulations and the amended regulations which take effect August 30, 2018.

All Dixon® products are shipped in cartons with the following warning:

⚠WARNING: Cancer and Reproductive Harm -
www.P65Warnings.ca.gov."

If you sell or distribute Dixon® products to California consumers, or to other persons or entities that may sell such items to California consumers, in quantities fewer than a full carton, you must provide this warning to each customer, either by labeling each unit with the above warning, or by another method.

If you would like more information about the chemicals contained in Dixon® products, please visit our website at www.dixonvalve.com. Many product display pages contain Material Safety Data Sheets which list the chemicals contained in the products and the chemical concentrations.

Dixon® couplings, adapters, valves and connectors made of brass may not be sold to California consumers unless such fittings either contain less than 300 ppm of lead when analyzed pursuant to the EPA test method 3050B or equivalent or they are sold or distributed with a clear, reasonable and conspicuous warning. So long as it is prominently displayed on the product or the packaging of the product, the following warning complies for brass fittings:

"WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. Do not use in connection with drinking water. Wash hands after handling."

As to internet sales, there must be a warning message by a clearly marked hyperlink on the product display page or otherwise prominently displayed to the purchaser before the purchaser completes the purchase of the product.

There are significant penalties associated with failure to comply with Proposition 65 requirements. Should you need further explanation or assistance in complying with this notice, please do not hesitate to contact Dixon® at compliance@dixonvalve.com.

Regards,

Dixon Valve & Coupling
